# Demo Document for Future Armada: Venture

by Ryan Wolfe of Ki Ryn Studios  
ki-ryn.com

*Future Armada: Venture* is copyright © 2006, Ryan Wolfe. All text in this book other than proper names is designated as open game content.

## Overview

The purpose of this document is to show you what you can expect should you choose to invest in *Future Armada: Venture*. The images on the following pages are low-resolution "print-preview" screen captures meant to provide a general idea of what is inside each book.

Specifically, this is what you're looking at:

- **Page 3:** Main Book. This provides an overview of the Free Trader "VENTURE" and OGL statistics for the ship, its crew, and the command pod (which can operate as an independent launch). Brief descriptions are given for each area of the ship, and a composite map is provided so it is easy to put the pieces together.
- **Page 4:** Color Maps. The map book provides tactical maps (1 inch = 5 ft.) for the interior areas of the ship. The screen shot shows a random assortment of 9 pages, but the actual document is 17 pages long.
- **Page 5:** Printer Friendly Maps. A black-and-white version of the color map book is provided for those people who don't have access to a color printer at work. Again, only 9 of the 17 pages are shown.
- **Page 6:** Sample Map. This is a single page from the color map book, ready to be printed out and used with miniatures. The maps are designed to be laid end-to-end as needed.

Thank you for taking the time to explore this product. I hope that the *Venture* can be of service to you in your gaming endeavors!

# VENTURE

## Free Trader

Venture is a Privateer-class light freighter designed to haul cargo or passengers. This class of vessel is easily modified and has proven very popular with independent traders (and smugglers) throughout known space. Like many independently-operated freighters, Venture has been modified to support a handful of offensive systems. The weapons are meant to dissuade pirates, but they can also serve to fend off overzealous customs agents should the need arise.

This progress-level six vessel is 140 ft. long and can be operated by a crew of two, though quarters are provided for six. The command section can detach from the main hull to serve as a launch or escape pod, and the cargo modules can be replaced by hangar bays or even passenger compartments. Versatility is the name of the game with the Venture.

The .zip file contains the following:

- Overview
  - 13 page PDF file detailing the ship, interior locations, and personnel.
  - Open Game License stats provided for the vessel, crew, and command pod (which can detach from the main hull).
- Map Book
  - Full-color 17 page PDF file containing complete interior maps.
  - Includes alternate configurations (cargo bays, flight decks, & passenger modules).
  - Also includes miniature-scale maps for tactical combat.
  - Broken into pages for easy printing.
- Printer friendly, black and white version of the map book.
- Composite map of the ship interior.
  - A 24x30 inch, 150 dpi, color JPEG image.
- "Bonus Art" directory with additional views of the ship and launch.

Sample documents and bonus art are available at **ki-ryn.com**

Like the Morningstar, this second installment of *Future Armada* is meant to serve as a ready-made vessel for use by either players or game masters. It is also intended to be easily adapted to other progress levels and game systems. Capitalize on this opportunity and the Venture should prove to be a profitable addition to any campaign!

## OPEN GAME LICENSE v1.0a

1. Definitions: (a) "Contributors" means the copyright and/or trademark owners who have contributed Open Game Content; (b) "Derivative Material" means copyrighted material including derivative works and translations (including into other computer languages), potation, modification, correction, addition, extension, upgrade, improvement, compilation, abridgment or other form in which an existing work may be recast, transformed or adapted; (c) "Distribute" means to reproduce, license, rent, lease, sell, broadcast, publicly display, transmit or otherwise distribute; (d) "Open Game Content" means the game mechanic and includes the methods, procedures, processes and routines to the extent such content does not embody the Product Identity and is an enhancement over the prior art and any additional content clearly identified as Open Game Content by the Contributor, and means any work covered by this License, including translations and derivative works under copyright law, but specifically excludes Product Identity. (e) "Product Identity" means product and product line names, logos and identifying marks including trade dress; artifacts; creatures characters; stories, storylines, plots, thematic elements, dialogue, incidents, language, artwork, symbols, designs, depictions, likenesses, formats, poses, concepts, themes and graphic, photographic and other visual or audio representations; names and descriptions of characters, spells, enchantments, personalities, teams, personas, likenesses and special abilities; places, locations, environments, creatures, equipment, magical or supernatural abilities or effects, logos, symbols, or graphic designs; and any other trademark or registered trademark clearly identified as Product identity by the owner of the Product Identity, and which specifically excludes the Open Game Content; (f) "Trademark" means the logos, names, mark, sign, motto, designs that are used by a Contributor to identify itself or its products or the associated products contributed to the Open Game License by the Contributor (g) "Use", "Used" or "Using" means to use, Distribute, copy, edit, format, modify, translate and otherwise create Derivative Material of Open Game Content. (h) "You" or "Your" means the licensee in terms of this agreement.

2. The License: This License applies to any Open Game Content that contains a notice indicating that the Open Game Content may only be Used under and in terms of this License. You must affix such a notice to any Open Game Content that you Use. No terms may be added to or subtracted from this License except as described by the License itself. No other terms or conditions may be applied to any Open Game Content distributed using this License.

3. Offer and Acceptance: By Using the Open Game Content You indicate Your acceptance of the terms of this License.

4. Grant and Consideration: In consideration for agreeing to use this License, the Contributors grant You a perpetual, worldwide, royalty-free, non-exclusive license with the exact terms of this License to Use, the Open Game Content.

5. Representation of Authority to Contribute: If You are contributing original material as Open Game Content, You represent that Your Contributions are Your original creation and/or You have sufficient rights to grant the rights conveyed by this License.

6. Notice of License Copyright: You must update the COPYRIGHT NOTICE portion of this License to include the exact text of the COPYRIGHT NOTICE of any Open Game Content You are copying, modifying or distributing, and You must add the title, the copyright date, and the copyright holder's name to the COPYRIGHT NOTICE of any original Open Game Content you Distribute.

7. Use of Product Identity: You agree not to Use any Product Identity, including as an indication as to compatibility, except as expressly licensed in another, independent Agreement with the owner of each element of that Product Identity. You agree not to indicate compatibility or co-adaptability with any Trademark or Registered Trademark in conjunction with a work containing Open Game Content except as expressly licensed in another, independent Agreement with the owner of such Trademark or Registered Trademark. The use of any Product Identity in Open Game Content does not constitute a challenge to the ownership of that Product Identity. The owner of any Product Identity used in Open Game Content shall retain all rights, title and interest in and to that Product Identity.

8. Identification: If you distribute Open Game Content You must clearly indicate which portions of the work that you are distributing are Open Game Content.

9. Updating the License: Wizards or its designated Agents may publish updated versions of this License. You may use any authorized version of this License to copy, modify and distribute any Open Game Content originally distributed under any version of this License.

10 Copy of this License: You MUST include a copy of this License with every copy of the Open Game Content You Distribute.

11. Use of Contributor Credits: You may not market or advertise the Open Game Content using the name of any Contributor unless You have written permission from the Contributor to do so.

12 Inability to Comply: If it is impossible for You to comply with any of the terms of this License with respect to some or all of the Open Game Content due to statute, judicial order, or governmental regulation then You may not Use any Open Game Material so affected.

13 Termination: This License will terminate automatically if You fail to comply with all terms herein and fail to cure such breach within 30 days of becoming aware of the breach. All sublicenses shall survive the termination of this License.

14 Reformation: If any provision of this License is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable.
