# Demo Document for Future Armada: Gryphon

by Ryan Wolfe of Ki Ryn Studios  
ki-ryn.com

*Future Armada: Gryphon* is copyright © 2008, Ryan Wolfe. All text in this book other than proper names is designated as open game content.

## Overview

The purpose of this document is to show you what you can expect should you choose to invest in *Future Armada: Gryphon*. The images on the next couple of pages are low-resolution thumbnails meant to provide a general idea of what is inside each book.

Specifically, this is what you're looking at:

- **Page 3:** Main Book. Brief descriptions are given for each area of the vessel, and composite maps are provided so it is easy to put the pieces together. The Open Game License is utilized to present stat blocks familiar to players of the futuristic version of the world's most popular role playing game. Note that these are the same mechanics as have always been found in *Future Armada*. Only the license, logo, and legal details have changed.
- **Page 4 (left side):** Color Maps. The map book provides tactical maps (1 inch = 5 ft.) for the interior areas of the ship. The screen shot shows a sampling of the pages, laid out like they would be when assembled.
- **Page 4 (right side):** Printer Friendly Maps. A grayscale version of the color map book is provided. The right side of the image shows the same pages from that book.
- **Page 5:** Sample Map. This is a single page from the color map book, ready to be printed out and used with miniatures. The maps are designed to be laid end-to-end as needed.
- **Page 6:** Bonus Art. Two of the rendered 3D exterior views are shown. The actual pictures are 800x600 jpeg images. This product also includes a poster-size jpeg of the entire ship at 1 inch = 5ft scale.
- **Page 7:** Add copy from the sales web page.

Thank you for taking the time to explore this product and letting *Gryphon* help your game take flight!

**Introduction**

The Gryphon is a class of aircraft carrier designed and built for the Royal Navy. It is the largest and most advanced warship in the world, and is the only one of its kind. The ship is designed to carry and launch a large number of aircraft, and is capable of operating in a variety of environments. The ship is also equipped with a variety of advanced weapons and systems, and is capable of operating in a variety of environments.

# GRYPHON

## *Mercenary for Hire*

"Gryphon" is a streamlined Kestrel-class escort refit for use in freelance mercenary operations. Meant to serve as a mobile base of operations for a small team of specialists-for-hire, it is able to fill many different roles. It can take the team into dangerous areas, fight its way out, and provide a place to rest and recuperate on the way to the next job. At 175 feet long this progress level seven ship comes in at just under 2,500 register tons.

Gryphon is the perfect ship for a small team of mercenaries or fortune seekers. Though it can be flown by a crew of two (or even one in a pinch), Gryphon has individual cabins for six. There is a holding cell for use in bounty hunting, a hidden cargo area for smuggling, and a brand new ship's boat for going planet-side in style. With a pair of turreted plasma cannons, a missile launcher, and integrated engineering/computer control room - the ship is ready when things get rough. Its sleek lines and dark exterior will leave a lasting impression on friends, foes, and clients alike.

The .zip file contains the following:

- Overview
  - 15 page PDF file detailing the ship, interior areas, and crew.
  - Open Game License stats provided for the vessel and crew, as well as the series-10 "Comet" which serves as the ship's boat.
- Map Book
  - Full-color 14 page PDF file containing complete interior maps.
  - Includes miniature-scale maps for tactical combat.
  - Broken into pages for easy printing.
- Printer friendly, black and white version of the map book.
- Miniature-scale composite map of the ship interior.
  - A poster-sized, 24x36 inch, 150 dpi, color JPEG image.
- "Bonus Art" directory with rendered images of Gryphon and its shuttle.

Sample documents and bonus art are available at **ki-ryn.com**

Like all of the Future Armada ships, Gryphon is meant to be useful to game masters and players alike. Story, stats, and maps are all easily separated. Keep what you like, change what want, and take flight!

## OPEN GAME LICENSE v1.0a

The following text is the property of Wizards of the Coast, Inc. and is Copyright 2000 Wizards of the Coast, Inc ("Wizards"). All Rights Reserved.

1. Definitions: (a) "Contributors" means the copyright and/or trademark owners who have contributed Open Game Content; (b) "Derivative Material" means copyrighted material including derivative works and translations (including into other computer languages), potation, modification, correction, addition, extension, upgrade, improvement, compilation, abridgment or other form in which an existing work may be recast, transformed or adapted; (c) "Distribute" means to reproduce, license, rent, lease, sell, broadcast, publicly display, transmit or otherwise distribute; (d) "Open Game Content" means the game mechanic and includes the methods, procedures, processes and routines to the extent such content does not embody the Product Identity and is an enhancement over the prior art and any additional content clearly identified as Open Game Content by the Contributor, and means any work covered by this License, including translations and derivative works under copyright law, but specifically excludes Product Identity. (e) "Product Identity" means product and product line names, logos and identifying marks including trade dress; artifacts; creatures characters; stories, storylines, plots, thematic elements, dialogue, incidents, language, artwork, symbols, designs, depictions, likenesses, formats, poses, concepts, themes and graphic, photographic and other visual or audio representations; names and descriptions of characters, spells, enchantments, personalities, teams, personas, likenesses and special abilities; places, locations, environments, creatures, equipment, magical or supernatural abilities or effects, logos, symbols, or graphic designs; and any other trademark or registered trademark clearly identified as Product identity by the owner of the Product Identity, and which specifically excludes the Open Game Content; (f) "Trademark" means the logos, names, mark, sign, motto, designs that are used by a Contributor to identify itself or its products or the associated products contributed to the Open Game License by the Contributor (g) "Use", "Used" or "Using" means to use, Distribute, copy, edit, format, modify, translate and otherwise create Derivative Material of Open Game Content. (h) "You" or "Your" means the licensee in terms of this agreement.

2. The License: This License applies to any Open Game Content that contains a notice indicating that the Open Game Content may only be Used under and in terms of this License. You must affix such a notice to any Open Game Content that you Use. No terms may be added to or subtracted from this License except as described by the License itself. No other terms or conditions may be applied to any Open Game Content distributed using this License.

3. Offer and Acceptance: By Using the Open Game Content You indicate Your acceptance of the terms of this License.

4. Grant and Consideration: In consideration for agreeing to use this License, the Contributors grant You a perpetual, worldwide, royalty-free, non-exclusive license with the exact terms of this License to Use, the Open Game Content.

5. Representation of Authority to Contribute: If You are contributing original material as Open Game Content, You represent that Your Contributions are Your original creation and/or You have sufficient rights to grant the rights conveyed by this License.

6. Notice of License Copyright: You must update the COPYRIGHT NOTICE portion of this License to include the exact text of the COPYRIGHT NOTICE of any Open Game Content You are copying, modifying or distributing, and You must add the title, the copyright date, and the copyright holder's name to the COPYRIGHT NOTICE of any original Open Game Content you Distribute.

7. Use of Product Identity: You agree not to Use any Product Identity, including as an indication as to compatibility, except as expressly licensed in another, independent Agreement with the owner of each element of that Product Identity. You agree not to indicate compatibility or co-adaptability with any Trademark or Registered Trademark in conjunction with a work containing Open Game Content except as expressly licensed in another, independent Agreement with the owner of such Trademark or Registered Trademark. The use of any Product Identity in Open Game Content does not constitute a challenge to the ownership of that Product Identity. The owner of any Product Identity used in Open Game Content shall retain all rights, title and interest in and to that Product Identity.

8. Identification: If you distribute Open Game Content You must clearly indicate which portions of the work that you are distributing are Open Game Content.

9. Updating the License: Wizards or its designated Agents may publish updated versions of this License. You may use any authorized version of this License to copy, modify and distribute any Open Game Content originally distributed under any version of this License.

10 Copy of this License: You MUST include a copy of this License with every copy of the Open Game Content You Distribute.

11. Use of Contributor Credits: You may not market or advertise the Open Game Content using the name of any Contributor unless You have written permission from the Contributor to do so.

12 Inability to Comply: If it is impossible for You to comply with any of the terms of this License with respect to some or all of the Open Game Content due to statute, judicial order, or governmental regulation then You may not Use any Open Game Material so affected.

13 Termination: This License will terminate automatically if You fail to comply with all terms herein and fail to cure such breach within 30 days of becoming aware of the breach. All sublicenses shall survive the termination of this License.

14 Reformation: If any provision of this License is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable.
